

# WaBo® 409 SSDT System

409 STAINLESS STEEL DUMP TRAILER

409 Stainless steel dump trailers feature competitive weight and cost to steel framed aluminum trailers, with unsurpassed quality and durability. 409 stainless steel provides a long corrosion-free life without the fatigue problems of 304 stainless steel or aluminum.

We can build a raw material trailer to fit all of your needs.

## Standard Features:

- Strong lightweight, corrugated sides, also available smooth inside walls
- 10 gauge 409 stainless steel floor, 12 gauge 409 stainless steel sides
- Rugged steel frame and cross members
- Sides are continuously welded to floor, inside and out
- Telescopic hoist
- Full height sealed gate
- Black epoxy frame paint
- Sandblasted body primed and painted one solid color with Dupont™ Imron® Polyurethane Paint

## Available Options:

- 409 stainless steel frame and cross members
- Custom options and accessories to meet your needs
- Blood tank
- Tarp systems
- Load divider gate
- Cleaner plates
